How to Save a Tree !

<u>Any</u> website or electronic document on your computer can be:

- saved as an Adobe Acrobat (PDF) file
- opened in the Preview application
- annotated with notes of your choice.

Please use this strategy when you can--it can save a lot of paper....

- 1. Open any document or website.
- 2. Pull the FILE menu down to PRINT...

3. Click the PDF button and pull down to SAVE AS PDF....

5. You now have a PDF version of the document that you can open and annotate...

6. Open the document in Preview and select the OVAL ANNOTATION TOOL

7. Click and drag to create a red oval to highlight an area. It can be resized and moved up until the document is saved....

Welcome!

Welcome to Westside Community Schools located in the heart of Omaha, Nebraska. Westside is a nationally acclaimed public school district -- one of the very best in the United States. Our superior staff, administration and Board of Education are committed to excellence in education for all students. Westside Community Schools provides high academic and behavioral expectations in a caring, friendly environment. We pride ourselves on our strong record of success.

Headlines & Features

Westside High School Choir Finishes Strong at National Competition Amazing Technicolor Show Choir Places Second at Showstoppers

Districtwide Census begins mid-March Community Club members will go door-to-door collecting information

VI-VI 2007 En. 117 117

8. Click outside of the oval to de-select it....

9. Select the TEXT ANNOTATION TOOL....

10. Click and drag to create a sticky-like text area on the document....

11. You can create and type annotations in these areas....

You can create these sticky-like areas anywhere on the document and type annotations and notes. Once you click out of the box and save, the note becomes a PERMANENT part of the document.
